“Time and Space”

Retreats for those working with children and young people

Working with children and young people is an important ministry which can be challenging and demanding. Those working in this area need the time and space to be renewed and refreshed.

- Would you like the time to invest in your relationship with God?
- Would you like the space to rest from your work?

The Well retreats are an opportunity for those working with children and young people to come together to have a time of reflection, inspiration, worship and prayer. A space, away from the everyday, to think, to talk, and to be with God.
